You are not charged for classes that fall on public holidays.

Fortnightly tuition is calculated based on the actual number of running classes in the fortnight, multiplied by the advertised class price. Class prices can be found on the website and in the customer portal.

Only the first child pays full fare. A 10% sibling discount is applied to the lesser tuition. A 10% second class discount is also applied for students taking more than one class per week.

Direct Debit

To complete your enrolment, you will need to provide credit/debit or bank account information through the Customer Portal. We will automatically debit your account on the due date for the fortnight in advance.

Alternative payment options

Your card or bank account on file acts as a guarantee of payment.

You are welcome to pay your account prior to the processing date each fortnight via the Customer Portal, in person by cash or via bank transfer. Any balance remaining on the processing date will be charged to your card on file.

If you prefer to make less frequent payment or pay a larger amount in one go to get ahead this can be done by any of the methods above. Your account will be in credit and each fortnight as tuition is applied your credit will be used to offset the charges. Ask our Customer Care team for details.

Enrolment Pause

Skylark Sports offers each member two weeks of tuition pause each calendar year. This can be used at any time, either one week at a time or in one two-week block.

Seven days written notice must be given to utilise an enrolment pause. A credit will be applied to your account for the requested period. Enrolment pauses cannot be requested after the fact.

Make-up classes

We want your child to enjoy the benefits of our programs so if you are away, your child is ill, or you simply can’t make it to your class we offer unlimited make-up classes. When a class is missed a make-up token is generated on your account. It is important to understand that your tuition pays for your place in the class, regardless of attendance. Our costs do not change if you do not attend. Make-up classes are offered as a benefit to our families to ensure you can make the most of your membership. Make-up tokens do not have a monetary value, and cannot be exchanged for credit, transferred to other students, or used once an enrolment ends. Make-up tokens expire 365 days after issue.

Make-up classes must be booked in advanced through the Customer Portal or through our customer service team. Make-up classes cannot be booked more than 3 days in advance as they can only be booked where a space exists.

If you know you are going to be absent, we appreciate being informed, as this allows us to book another student into your place for a make-up class. To notify of an absence please use the Customer Portal or email us and let us know.
